**Subject:** RE: LDW Draft Source Control Status Report

Thanks for your patience with this. Let me know if you have any questions. You will have to edit the document where it mentions there were no inspections or no source control activities.

### **26.3 Facility-Specific Source Control Actions**

King county worked with Western Ports to bring their drainage facility into compliance through repair and maintenance and to improve the exit to limit vehicle trackout.

## **27.0 RM 4.2-4.8 West (Restoration Areas)**

### **27.1 Business Inspections**

King County conducted a total of seven business inspections during the current reporting period, including two follow-up inspections. Particular effort was made to bring the large apartment building into compliance by addressing the debris and solid waste storage problems.
